Dear Mr. Reynolds:

Re: Reclamation Surety Update, Great Salt Lake Minerals & Chemicals Corporation (GSLM), Little Mountain Plant, M/057/002, Weber County, Utah

Thank you for the amendment to the GSLM letter of credit received by the Division on August 5, 1993. In order to complete the surety adjustment we will need to revise several portions of the Reclamation Contract. Please complete the enclosed page 5 of 9, and page 7 of 9, of the Reclamation Contract and return these pages to the Division at your earliest convenience.

As mentioned in the last Division letter, I am proposing this matter to the Division Director and Board of Oil, Gas and Mining, without going through a formal Board presentation. Please contact me or Wayne Hedberg if you have any questions regarding this matter.

Thank you for your cooperation in completing this permitting action.

Sincerely,

Anthony A. Gallegos  
Reclamation Engineer
